President's Message

With only a little over a month until the National Meet in Colorado, if you haven't made your request for the evening banquet tickets on August 8th, you need to do this right now. (Don't even read the rest of this message until you have done it.) If you do not get your banquet tickets by July 10, 1987, then it's too late. The hosting chapter has to let the motel know at this time how many to serve. If you need more information on this you can call Barbara Sparks at 1-303-427-8340 after 6 p.m.

Sure sounds like the Mile Hi Chapter has a lot planned for all of us. All we have to do is go get it and enjoy ourselves. I'm really looking forward to the meet. I get to meet all the wonderful people I met over the years plus many more new ones.

I was lucky enough to have the chance to make the Regional Meet in Atlanta, GA. They really put on a good show. I met most of the Southeast Chapter members and they are a great group of people. I'm sure they will be showing us a good National Meet in 1988. Gary, you and your group did a great job on the Regional and I'm looking forward to the National next year. Thanks for making me feel so welcome.

Speaking of regionals, I have not talked to the Wisconsin group on how their meet went. I am sure they did a great job on it since they did on the national last year.

The Hoosier Chapter has its Regional coming up July 11th-12th. These chapters need your support by attending the meets. Cliff and his group have been working hard, and besides when will you ever get another chance to drive your "Falcon" around the Indy 500 track (I understand you cannot race around it, just tour.) Sorry folks.

I wanted very much to attend this Regional Meet, But since I will be having knee surgery June 23rd, I don't guess I'll get to make this one.

All of you keep up the good work and we will always have a wonderful Falcon Club to help each other and have fun enjoying our Falcons.

See you soon,

Roy E. Sword, Pres., FCA

Editor's Message

Time is approaching for our National in Boulder. We are getting excited about seeing all the "great looking" Falcons and meeting old friends once again and discovering new ones.

Hope you enjoy this issue of *The Falcon News*. Keep those cards and letters coming. You are what the newsletter is all about!

Bill & Kathy Woodell, Editors

Regional Meet in Atlanta a Big Success!!!

The Southeast Chapter hosted their 2nd Annual Regional Southeast Falcon Meet, May 29-31, 1987, at Atlanta, Georgia. We had 49 Falcons entered in the show representing 10 states. The show was a success and everyone had a great weekend.

We would like to thank our National President Roy Sword for attending. We awarded 24 trophies at the banquet on Saturday night. See next month's newsletter for pictures and more details.

We are busy getting ready for the 1988 National Meet in Atlanta, Georgia.

Hope to see you there.

Gary Goddard, President, Southeast Chapter, FCA

Meet Report

The Mile Hi Chapter

The Mile Hi Chapter had a family Spring Picnic". There was a good turn out and the Chapter furnished the hot dogs and cold drinks and everyone brought a covered dish. The rain shower didn't dampen our fun. The Mile Hi Chapter's membership has now grown to 44 families. Our Chapter has over 70 Falcons within the Chapter in all different classifications.

The Founder's Chapter

Our meet at Petit Jean Mountain on Sunday, June 7th was a big success. We held our picnic lunch at the state park area on the mountain and had our car meet behind the museum. We had a good turnout of members and look forward to meeting again at this location.

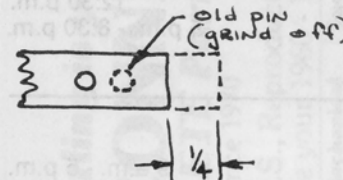

TECHNICAL HELP WANTED

Does anyone have any information on installing a Ford V6 with a C-4 transmission in a 61 Falcon? Help! William D. Clark, Ph.D., P.O. Box 634, El Segundo, CA 90245 (213) 615-0734.

I have a 64 Falcon 6 cyl. with a 170 CID and a 2-speed automatic transmission in it. I would like to know the procedure of how to take out the 6 cyl. 170 CID and transmission and put in a 302 CID with an automatic 3-speed transmission. I would also like to know what I will have to change on the car and what I will have to add to the car. Vince DeJoy, 2146 So. 35th, Omaha, NE 68105.

TECHNICAL ADVICE GIVEN

Sometimes when replacing the parking brake handle, the hardened pin is impossible to remove. This can be overcome by breaking the old handle off, then grind the hardened pin flush to the shaft. Hacksaw about 1/4" off the end of the shaft, then install new handle, cross drill & install new pin. This will make shaft shorter by only 1/4".

Cliff Smith, 351 West St., Franklin, IN 46131.

FEATURE FALCON

This "Ol' Boy" is my first and most favorite of my 6 falcons. I have owned it for 13 years and the first two owners were the man who bought it new, then gave it to his grandson of which I got it from. It's all original except for the 200 and T-10 4 speed trans. that I put in it. I brought this 63 here from California. The first winter I was here, the salt from the roads rusted my rear fenders. It about broke my heart, so I never drive him in the snow season. I love Falcons. In fact, around this area I live in, I'm called the "Falcon Man".

I have 3 Rancheros, this 63, a 64 and a 61 with a Dagenham. I have a 62 2-dr, 62 4-dr and 61 4-dr. I am presently working on a chance to acquire another 4-dr 61 running perfect. Rusty Wingham, Box 79, Freetown IN 47235.

Thanks Rusty for sharing your story with us. You are a great advertisement for the club in your hometown. Editor
